### PROFESSIONAL PROFILE

Proven Web Developer with experience creating accessible, responsive, and dynamic web applications using HTML, CSS, JavaScript, and much more. In my most recent role as a Web Developer with Devmoms, I combined my expertise in marketing with my web development skills to create websites and logos that are not only visually engaging, but also easily navigated and rank highly in SEO. I am now looking to continue my Web Development career by joining a team of detail oriented and passionate professionals whose ultimate goal is the complete satisfaction of the end user.

### EDUCATION

#### V School - Full Stack Web Development

Salt Lake City, UT (2023)

- Learned industry best practices and practical software development standards with a focus on HTML5, CSS3, JavaScript, Node.js, React, REST APIs, and MongoDB. Created and deployed mobile-first applications while learning new languages and frameworks by collaborating every week with a senior web developer.

#### Master of Business Administration

Seoulkyunkwan University | Seoul, Korea (2009-2010)

- Activities and societies: Scholarship received twice in 2009.
- Marketing Strategy, Brand Strategy and Integrated Marketing Communications (IMC), Marketing Research, Consumer Behavior, Internet Business, Accounting, Corporate Finance, International Management, Organization and Leadership

#### Tech-Moms 2024 Cybersecurity Training Program

Salt Lake City, UT (Jul 2024 - Aug 2024)

- Preparing for the CompTIA SY0-701 Security+ certification to advance knowledge and skills in cybersecurity.

### EXPERIENCE

Dev-Moms

Jul 2022 - Jul 2023

#### Web Developer

- Crafted visually appealing and functional websites tailored to the unique needs of small businesses.
- Created distinctive and memorable logos that resonate with the brand identity of my clients.
- Prioritized a seamless user experience with designs that are not only visually engaging but also optimized for mobile devices.
- Implemented accessibility testing to guarantee that websites are inclusive and can be easily navigated by individuals of all abilities.
- Set up SEO environments, ensuring the client's website is optimized for maximum search engine visibility.

New Hope Calvary Chapel

Jan 2024 - May 2024

#### Communication Team - Newsletter Editor

- Developed a bi-weekly newsletter for church communications utilizing HTML and CSS.
- Created graphics and implemented custom formatting within the Subsplash and Squarespace frameworks.
- Composed and edited content for upcoming events, weekly service summaries, and general communications.
